The Honorable James L. Oberstar  
Chairman  
U.S. House of Representatives  
Committee on Transportation and Infrastructure  
Washington, DC 20515

Dear Chairman Oberstar:

The State of Missouri appreciates the opportunity through the American Recovery and Reinvestment Act of 2009 (ARRA) to continue to deliver transportation and infrastructure projects and create employment essential to a strong economy.

As requested, enclosed is transparency and accountability information regarding ARRA funds for the State of Missouri through January 31, 2010. This information has been compiled from several agencies in Missouri including Metropolitan Planning Organizations, the Missouri Department of Transportation, the Missouri Department of Natural Resources, and five small urbanized Missouri municipalities. Each agency bears sole responsibility for these separate programs.

Missouri is working hard to invest these funds as quickly and efficiently as possible, and welcomes the opportunity to provide your committee with the attached spreadsheet of information.

Sincerely,

A handwritten signature in cursive script that reads "Dustin Allison".
