

Partnering for Innovative Efficiencies (PIE)

**Report to MHTC
October 2005**

PIE Basics

- Open & frank conversation about improving MoDOT's ability to deliver projects better, faster & cheaper
- Attracted 65 participants: external contractors, suppliers, subcontractors, consultants & government agencies

PIE Approach

- Small group brainstorming sessions on better, faster & cheaper
- General session to narrow the list

PIE Results

- Small groups generated more than 120 ideas
- General session identified six focus areas
- Volunteers came forward

PIE Results(cont'd.)

- Evaluations were FANTANSTIC
- Participants gave the event an overall ranking of 3.5 out of 4.0
- General excitement about helping make a difference at MoDOT

PIE Results(cont'd.)

"An awesome opportunity for participants to provide feedback and network in a positive environment."

"A lot was accomplished in a short time from a very diverse group."

PIE Next Steps

- Launch three to five improvement teams with our partners
- Implement team recommendations
- Plan next PIE event

And that's PIE
at MoDOT!

THANK YOU!
