Store Parcel

3. Select Store Parcel button to store the parcel taking into your gpk file.

Store Parcel

4. A quick look at the COGO Navigator shows the new taking.

The screenshot shows the COGO Navigator (BKP) interface. At the top, there is a blue header with the text "Navigator (BKP)". Below this is a menu bar with "Select" and "Tools". A toolbar contains several icons: a crosshair, a magnifying glass, a document with "id", a paintbrush, a document with a checkmark, and a lightbulb. Below the toolbar is a dropdown menu labeled "Element" with "Parcel" selected. The main area of the interface is a table with the following data:

Name	Select	Type	Parent Tract	Area	Owner
3		Parent Tract	3	1079856.91	Nona Ancell
1		Taking	3	16110.95	
6		Parent Tract	6	173976.68	Roger & Aileen Gronewold
9		Parent Tract	9	19463.88	Peter J. & Julie Hannon
